## A Firm Expansion

**The Law Firm of Omar T. Mohammadi, LLC** is proud to announce that it has added a new legal department and additional attorneys that practice in the fields of Bankruptcy, Domestic Relations and Commercial Real Estate & Foreclosure Defense.

The Firm's counsels clients from all over the world with attorneys not only proficient in their legal fields but also fluent in many languages including Arabic, French, Spanish, Hindi, Urdu & English.

### Bankruptcy

The Firm represents both individual and business bankruptcies including Chapter 7, Chapter 11 and Chapter 13 bankruptcies.

### November 2009

A Chapter 7 bankruptcy liquidates the non-exempt assets of the debtor and distributes the proceeds amongst the creditors in a manner dictated by bankruptcy laws.

Alternatively, a debtor who is a regular wage earner may file a Chapter 13 bankruptcy which will allow him/her to retain assets and still receive bankruptcy protection. All debts are organized into manageable monthly payments over a period of years.

Meanwhile, a Chapter 11 reorganization is available for businesses that want to remain in business. Rather than liquidate assets, the company remains as a debtor in possession working to pay off its creditors under the oversight and jurisdiction of the bankruptcy court.

We will advise clients on which bankruptcy filing is best under their unique circumstances.

### Domestic Relations

We represent clients dealing with separation agreements, divorce or child custody matters. The Firm attempts to alleviate the personal stress of family matters by facilitating a less contentious outcome or through zealous advocacy in more complex litigation.

### Commercial Real Estate & Foreclosure

The Law Firm of Omar T. Mohammadi, LLC has attorneys experienced in all commercial and residential real estate transactions including closings and commercial leasing.

The Firm has also expanded into foreclosure defense. Our attorneys are experienced in defense strategies that can help clients curtail the tenuous and uncertain foreclosure process.
